Notes for Josephine Bryant:

The 1870 census taken on September 1 states that Josephine Bryant was 5 years old at the time. This implies that she was born about 1865 or 1866. At the time of this census, she was living with her parents, Pompey and Eliza along with siblings Alice, Moriah, Berry and another unnamed brother who appears to be the twin of Berry as they were both four months old at the time.

The 1900 census taken on June 11, states that Josephine Bryant was 34 years old and born in 1866. This confirms information obtained from the 1870 census.

The 1920 census taken on January 12, 1920 states that Josephine Bryant was 56 years old at the time. This implies that she was born in 1864 or 1865 (which is just slightly inconsistent with the 1870 census information) - we have a birth year as 1873 which is concluded to be incorrect. The same census states that George Bryant was 36 years old therefore implying a birth year of 1864 or 1865.

The 1930 Census taken on April 10, 1930 states that Josephine Bryant was 52 years old at the time of the census (which would make her younger than she was on the 1920 census) and living on Patterson Street. This implies that she was born in 1878 - we have a birth year as 1873. There is definitely a discrepancy between her birth years according to the 1920 and 1930 census reports. The conclusion is that she was probably born in 1866 as stated in the 1900 census which is consistent with the 1870 census.

Notes for William "Bill" Bryant:

The 1880 census taken on June 16, 1880 states that William Bryant was 10 years old at the time of the census. This implies that he was born in 1870. This would mean that he was 15 years old when George Bryant was born.

Children of Josephine Bryant and William Bryant are:

- + 13 i. George⁴ Bryant, born 14 Aug 1885 in Lumpkin, Georgia; died 22 Nov 1977 in Americus, Georgia.

- 15 iii. Jim "Shack" Bryant^{11,12}, born 1898; died 13 Oct 1963 in Americus, Georgia. He married Alberta Wiggins.

Notes for Jim "Shack" Bryant:

The 1920 census taken on January 12, 1920 states that Jim Bryant was 21 years old at the time of the census. This implies that he was born in 1899. Being that we don't have a definite date of birth for him and George Bryant's date of birth was correct, we can assume this birth year to be correct.

Uncle Shack and Aunt Albert did not have children.

- 16 iv. Bessie Bryant, born 1899; died Unknown.

Notes for Bessie Bryant:

According to the 1900 census taken on June 11, Bessie was one year old. The report indicates that she was born in 1899.

- 17 v. Charlie Bryant^{13,14}, born 1903; died 14 Nov 1958. He married Rushie Bell Milner.

Notes for Charlie Bryant:

The 1920 census taken on January 12, 1920 states that Charlie Bryant was 17 years old at the time of the census. This implies that he was born in 1902 or 1903. Being that we don't have a definite date of birth for him and George Bryant's date of birth was correct, we can assume this birth year to be correct. If Charlie Bryant was 56 years old when he died in 1958, this implies that he was born in 1902.

Generation No. 4

13. George⁴ Bryant (Josephine³, Pompey², Hamill¹)^{15,16,17,18} was born 14 Aug 1885 in Lumpkin, Georgia, and died 22 Nov 1977 in Americus, Georgia. He married **(1) Mary Eva Williams**^{19,20} Jan 1908 in Lumpkin, Georgia, daughter of Ella Williams. She was born 22 Feb 1888 in Omaha, Georgia, and died 17 Feb 1982 in Aliquippa, Pennsylvania. He met **(3) Inez Battle** 1935 in Americus, Georgia. She died in Atlanta, Georgia.

Notes for George Bryant:

The 1920 census taken on January 12, 1920 states that George Bryant was 36 years old at the time of the census. This implies that he was born in 1884/1885 depending on birth date - we have a birth year as 1885. This is correct since Papa's birthday was in August.

Papa accepted Christ at an early age and joined Louis Chapel AME Church in Omaha, Georgia. He joined Allen Chapel AME Church in Americus under the leadership of PC Clayton and served on the

Steward Board until he became ill.

Mama and Papa were married 69 years at Papa's death. They had seven children, Papa had three children outside of Mama but she helped raise them. "T.", one of his three daughters, lived with them for a while. George Bryant was a sharecropper for many years. Mama and Papa moved to Americus, Georgia where they lived on a white man's farm called the Dixon Plantation. Papa did crop work (preparing cotton to sell.) On Fridays Papa and Mama would load up the wagon with whatever crops they were to sell and brought them to town to sell for Mr. Dixon. Mama and Papa also had a small store on this place. Mama worked in the store as well as in the fields with Papa. In 1929, Mama and Papa moved to the city limits of Americus where she worked in white people's houses baking and raising their children. She also was a homemaker and made dresses, suits, and most of all quilts. She was also a missionary. She always found time to go and see after the sick. Mama raised eight of her first grandchildren. She made potato pies, cakes, and sold them for the Missionary. She also sold fish sandwiches on Fridays and Saturdays. This money she took to help the sick, also buying flowers and cards for the deceased families. Mama and Papa had a rental house next to their home, the rent was only \$3.00 and they raised it to \$6.00. At the time she had Mary and Steve, the two grandchildren that stayed the longest, to go pick berries which she used to make homemade jelly and wine. Mama and Papa also had a smokehouse where they kept their meats. Mama made her own butter and buttermilk from milk from a cow. She once raised 200 chickens in the backyard. Mr. Dixon helped them get on their feet and buy the place at 1020 Montgomery Street with mortgage being \$50 per month. Papa worked at a place called The Basket Factory where he made baskets for many years. He was also the yardman for the owner of the basket mill. Aunt Alberta was the housekeeper and Mama worked in the house (she also worked in Florida.) While she worked in Florida, Arthur Lee and Ruth watched the younger kids until Mama no longer had to work in Florida. Mama's occupation was a seamstress and homebaker (not maid). She'd go to white folks houses and cook. In the early 60's, Mama and Papa moved to 232 Academy Street where Papa died in 1977.

Notes for Mary Eva Williams:

The 1920 census taken on January 12, 1920 states that Mary Eva Bryant was 29 years old at the time of the census. This implies that she was born in 1891 - we have a birth year as 1888. Being that she was alive until 1982 and told us her birthday, we can assume that the census taker was in error.

Notes for Louise Bryant:

On January 31, 2007 after Aunt Louise was asked what she remembered about Grandma Jo, she remembered a story about Ma Ella (Mama's mother) told to her by Mama (Mary Eva Bryant.) She remembered that Mama's two brothers went to Macon to have a better life and then the family lost track of them and couldn't find them. Well, Aunt Ruth was in Macon and was walking pass the jail and heard them sing and knew their voices!! She went to the jail to visit them and they told her that

they had heard a woman screaming so they went to see what happened. They found a white woman dead!! Obviously at that time the cops showed up and arrested the two brothers for the murder! Aunt Ruth then called and told her mother that she had found them and they were in jail. The cops went to Ma Ella to find out what she knew about the murder which of course she knew nothing as there was nothing to know. In an effort to get her to say that her sons were guilty, they tied a rope around her body and kept dunking her from Kinchafoonee bridge into the Kinchafoonee Creek - one of the three bridges on the way to Preston. Of course she never admitted anything (as there was nothing to admit) and when the water lynching was over, Ma Ella was left deaf. Needless to say, during that time, two black men accused of killing a white woman stood no chance and both brothers were electrocuted. At the time of the remembrance, Aunt Louise was 80 years old and later remembered the brothers names as Paul and Silas.

Notes for Carmelita "Huck" Wallace:

Huck graduated from Aliquippa High School in 1977. Went to California State College in California, PA (renamed to University of California of Pennsylvania.) Majored in Speech Pathology and graduated in May of 1981 with B.S. Continued same university and completed Masters program in Speech Pathology in December, 1982. Moved to Hartford, CT in January, 1983. Got first job in February, 1983 in Enfield, CT (98% white population) worked there for 2 1/2 years. Got second job in Hartford, CT in September 1985 (approx. 90% minority population - which made her happier!) Got married in 1992 at Mt. Olive Missionary Baptist Church in Hartford, Connecticut. Because of passion for family started compiling Bryant family History in 1995 - went to Aliquippa to visit family to obtain dates and places of births and deaths of Bryant Family members. Attempted family reunion with a host of relatives for 1996 - didn't happen! Moved to Pembroke Pines, Florida in August of 1996 because the winter of 1995-96 was too much!! The school year started off with a snow day in early November and there was snow storm after snow storm so that school didn't close until the end of June 1996!! First job in FL was as speech/language pathologist for the Center of Pediatric Therapy in Coral Gables, FL - stationed at Jackson Hospital; Second and current job in FL is a speech/language pathologist for Miami-Dade County Schools at Amelia Earhart Elementary School.

Active Christian at The Fountain of Pembroke Pines church. Serves as ministry leader of the Newsletter Ministry as well as ministry leader of the screen operators section of the Mulit-Media Ministry.

In 2007 began updating Bryant family history. Robert Louis Bryant, Jr. is currently assisting with researching the census reports, death and marriage records, and gathering family photos. It is wonderful working with him and having someone to bounce ideas back and forth with when dealing with the ancestors section of our history. Thanks, Jr. for all of your help and support.

Passions: family, compiling family histories, traveling, golf, bowling, skiing, and listening to music.

My favorite current family traditions are: 1) Every Christmas Eve Keith and I host a dinner for family and friends; 2) Twice a year when Ma comes to visit, Keith and I host a "games night" for family and friends. It's a slammin' party with games like bid whist, pokeno, and pit. We spend the evening talking smack, laughing, eating, and just having a grand time!!! 3) Keith and I go away every year for our anniversary and take a two week vacation together every summer!

One of my favorite childhood family memories is when Granny's twelve grandchildren would be out Logstown playing together and Granny would cook hamburgers and french fries!! Granny made the best hamburgers, french fries, grits, stuffed green peppers, banana pudding, pound cake, and the list goes on and on and on!!!

Another favorite childhood memory is that Granny and Bo-Peep would let Bae-Bae, Kelly and me drink coffee on Easter morning! For some reason that was the only morning we were allowed coffee!!!

I also enjoyed taking the train with Lil Sis and some of my cousins to Americus for summer visits. We always had fried chicken and Granny's pound cake to eat on the train!!! It was great running up the street and around the corner to Aunt Alberta's house with no shoes on - the roads were all sand then, not paved!

Notes for Keith Robert Wilder:

Keith R. Wilder graduated from Colby College in 1974 and relocated to Hartford, Connecticut.
